MEC No. 15-0023-I

Dear Mr. Arnsmeier:

The Missouri Ethics Commission considered the complaint filed against you at its May 29, 2015 meeting. The complaint, which you submitted, alleged that you placed campaign signs around town without a legible paid for by disclosure.

The staff review of this complaint found you correctly placed paid for by disclosures on these campaign signs. When the weather caused the paid for by disclosures to become unreadable on some of the signs, you affixed replacement labels to both sides of the campaign signs immediately.

From the facts presented, the Commission finds no reasonable grounds exist to support a violation and is dismissing the complaint.

Sincerely,

A handwritten signature in cursive script, reading "James Klahr".

James Klahr
Executive Director
